# My Family Away From Home

**I TRULY LOVED FEELING AS IF I HAD A FAMILY  
WITHIN THE BIBLE SCHOOL**

When I arrived in Belfast from Colorado, my first impression of the directors of CBC Belfast, was how real and outgoing they were. They are able to talk to any person, and make them feel as if they've known them for ages. After being apart of CBC Belfast, I came away with a confidence to share the gospel. I grew in the knowledge of who I was in Christ, and felt bold to speak the truth. I loved learning how to teach and disciple people. Through the Discipleship Evangelism classes, and got to disciple some friends in Belfast, and the change I saw not only in their lives, but they're families lives was astounding. The students were all so close, and encouraged each other, and prayed for one another. I truly loved feeling as if I had a family within the bible college. I will always remember the love of Christ I found in the directors and students in Belfast.
